Hello! Welcome to our office. Your first session will last approximately one hour. At the end of the session I will suggest one of several forms of treatment.

I am a Licensed Clinical Social Worker. I do individual, group and family therapy and I have a special interest in treating patients with eating disorders. I have been in practice since 1988, when I received my Master's Degree from the University of South Florida.

**CONFIDENTIALITY:** Patient records are only released to other physicians or agencies upon your written request. Fortunately, most insurance companies do not require anything more than your diagnosis when insurance is filed. If anything additional is required I usually get you to sign a release of information form.

**FEES:** The first appointment will cost \$125.00. After that, 50-minute sessions are \$105.00; 90-minute group therapy sessions and eating disorder group sessions are \$60.00 each. Payment in full is expected at the time of service, unless prior arrangements have been made. If you have Medicare, Tricare (Champus) or a managed care plan that we contract with, you are only responsible for your deductible and copay. If you want us to file insurance for you, please provide us with your complete insurance information. As an added convenience we accept MasterCard, Visa, Discover and American Express. **NOTE: You will be charged for appointments canceled with less than 24 hours notice.**

**ATTENTION INSURANCE PATIENTS: PLEASE CONTACT YOUR INSURANCE CARRIER PRIOR TO YOUR APPOINTMENT!**

**It is imperative that you ask the following questions:**
